

Alpena Community College Nursing Program

## NURSES' NOTES

**The SIX ACEN****Nursing Faculty to attend ACEN Workshop****Standards:**

- ◇ **Mission & Philosophy**
- ◇ **Faculty & Staff**
- ◇ **Students**
- ◇ **Curriculum**
- ◇ **Resources**
- ◇ **Outcomes**

Thanks to a CAP Leadership grant 3 of our nursing faculty were able to attend the Accreditation Commission for Education in Nursing (ACEN) Workshop to move the program through the process of national accreditation. On Wednesday March 19th, Mr. Pratt and Ms. O'Connor traveled to Anaheim, California for the two day event with a main focus on program outcomes. On Wednesday April 9th, Mrs. Thomas headed to Atlanta, Georgia where the main focus of her workshop was curriculum. All of the information obtained will be used at the upcoming faculty nursing retreat, Monday and Tuesday of next week. The entire nursing faculty will meet and intensively review all six of the accreditation standards and work to write the self study report for the campus site visit in the Fall of 2015.
